With the premise “From the Community we think Cuba”, the constituency 41 of the People’s Council, Rafael Reyes, located in San Luis municipality witnessed, on October 6th the assembly belonging to the Second Process of Accountability from the Delegate to its Voters. Which corresponded to the Area 139, where the Revolution’s Defense Committees (CDR in Spanish) one and two participated.

The situation was right and the constituency delegate, Ismael Verdecia, gave a balance of the work he has done to benefit the neighborhood during the current term of office, this occurred with a vast participation of the neighbors.

The voters talked about the already notified problems, such as the current state of the road giving access to the community, the water situation, and the streets lighting, and houses construction situation as well. They also added new ones, like the request to celebrate the Demonstrative Assembly in the area.

One of the most commented topics by the participants was the treatment given to the current epidemiological situation on the municipality. Katiana Cabrera, a voter, talked about how cleaning the neighborhood was needed, as a way of avoiding the spread of the *Aedes Aegypti* mosquito.

Another voter, María Rodríguez also talked about paying more attention to the Educate Your Child Program, which is aimed to children up to five years old, she also mentioned the flexibilization of the hours these children attend school.

The upcoming October 11th, the second part of the Accountability Assembly will be carried out, where the CDRs three and four, of this area, will participate.

The meeting proved how active is the participation of the people, and their confidence in their leaders. It came to an end, with the people shouting Long Life Fidel! Long Life Raúl!, and acknowledging the work of the President of Councils of State and Ministers Miguel Díaz-Canel Bermúdez.
